

Valiant Alumni Creed

We, the members of the Valiant Alumni, affirm our commitment to a journey of continuous recovery and personal growth. We embrace the principles of sobriety, community, and mutual support, grounded in the belief that together, we are stronger.

We Believe:

- That recovery is a lifelong journey that requires courage, honesty, and commitment.
- In the power of community to uplift, inspire, and strengthen each one of us.
- That each day is an opportunity to grow, learn, and contribute positively to the world around us.

We Promise:

- To uphold the values of accountability, leadership, unity, mutual respect, nurturing, and inspiration.
- To support each other in times of challenge and celebrate together in times of joy.
- To extend a hand to those who are new in recovery, remembering the help we once received.

We Acknowledge:

- That sometimes setbacks are part of the journey, and from each, we learn and find renewed strength.
- That our experiences, both past and present, shape us but do not define us.
- That by sharing our stories, we offer hope and guidance to others.

We Commit:

- To participate actively in our community, contributing our strengths and learning from others.
- To communicate openly and honestly, fostering an environment of trust and respect.
- To maintain our recovery and encourage others, knowing that our collective well-being depends on each individual's success.

As Valiant Alumni, we stand together, a steadfast community dedicated to restoring lives and families from addiction. With gratitude for our shared journey, we move forward, each step taken with purpose, each day embraced with hope.
